

# CGS Virtual Events

## KS1 Football

Click or Scan the QR codes to see the set-up guide and a video example

### Event information

- Set up a little area where you will carry out the 6 different stations
- Have your items and bottles already set up ready for dribbling round and knocking over
- Time each skill for 30 seconds, record your score on each station and video your attempts. Upload your video to the entry form and social media.

### Equipment needed

- Yourself and a video camera, make sure you have permission to use the camera!
- A football
- Household items to dribble round
- Household items to try and hit whilst passing

### Please make sure you have read...

Scan or click the QR code for advice on how to stay safe online

## Get Involved

### Space

Increase the distance between the household items depending on how easy you find it. Close the space to challenge yourself

### Task

How many of each skill can you achieve in 30 seconds?

### Equipment

Make sure you're allowed to use the household items. Need a football as well

### People

Can you challenge family members?

Send your entries by scanning the QR code or clicking the link
